

Love is in the air, and so are lower rates!

RedZed is sharing the love with brokers and the self-employed this Valentine's Day – and for the foreseeable future – with **lower rates and reduced fees and loadings!**

To launch our 'With love, from RedZed' campaign, we've made some exciting changes that will empower you to offer competitive, tailored solutions to your self-employed clients. They apply only to new business received from 14th February 2025.

What you need to know

SE Prime rates reduced

We've slashed our SE Prime full doc and alt doc rates at most LVR bands.

Residential specialist rates reduced

We've slashed full doc and alt doc rates on our specialist Reward product at select LVR bands.

Reduced residential SMSF rates

We've slashed our Super Resi rates (full doc and alt doc) and waived interest-only loading.

Reduced commercial SMSF rates

We've slashed our Super Commercial rates (full doc and alt doc) and waived interest-only loading. Plus, our application fee is staying at our current promotion level of 0.5%!

Reduced application fee and loadings on commercial

We've reduced the application fee for our entire standard commercial range (Prime and Reset) across all LVR bands. We've also reduced interest-only loading on our Prime product.

Plus, paying for residential security appraisals (valuations) just got a whole lot easier!

No longer pay upfront for a single standard valuation for properties \leq \$2 million.

New establishment fee is payable at settlement and **includes one standard valuation of a property \leq \$2 million.**

The establishment fee is waived if a security appraisal fee is payable upfront for a non-standard security appraisal or for properties greater than \$2 million.

Additional standard property valuations will need to be paid at settlement.
